

Jesse and Alisha

Hello and Welcome

# Our Story

Dear Birth Parents,

Hello! We are Jesse, Alisha and Elliott, and we thank you for taking the time to learn about our family, and considering us in your choices. We are so excited to be adopting and welcoming another child into our family, and we hope our story will help you with your decision. Please know that no matter what you choose, we wish you and your child all the best.

We met as coworkers over 15 years ago, and got married on a beautiful fall day in September 2016. We always knew that we wanted children and were blessed with our son Elliott the summer of 2017. We love to travel, and explore both near and far all while spending time together with our loved ones. We hope this book gives you a glimpse into our family, and we look forward to an opportunity to meet you.

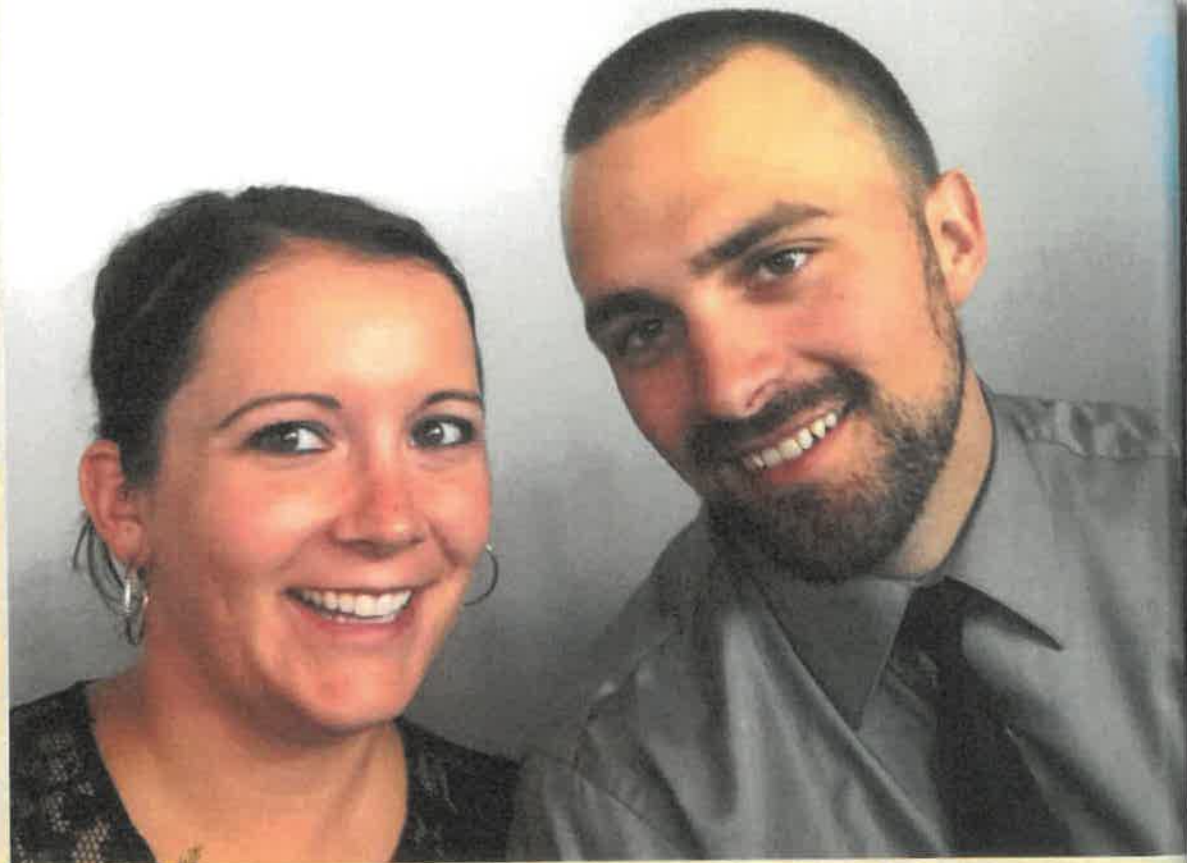

Kind Regards,

Jesse, Alisha & Elliott

We love to spend time together as a family, traveling and experiencing new things. We enjoy playing sports and watching our son learn through hands-on experiences. We believe in faith, family, love and being good people.

✝ Blessed.
