OUR SON *Isaiah*

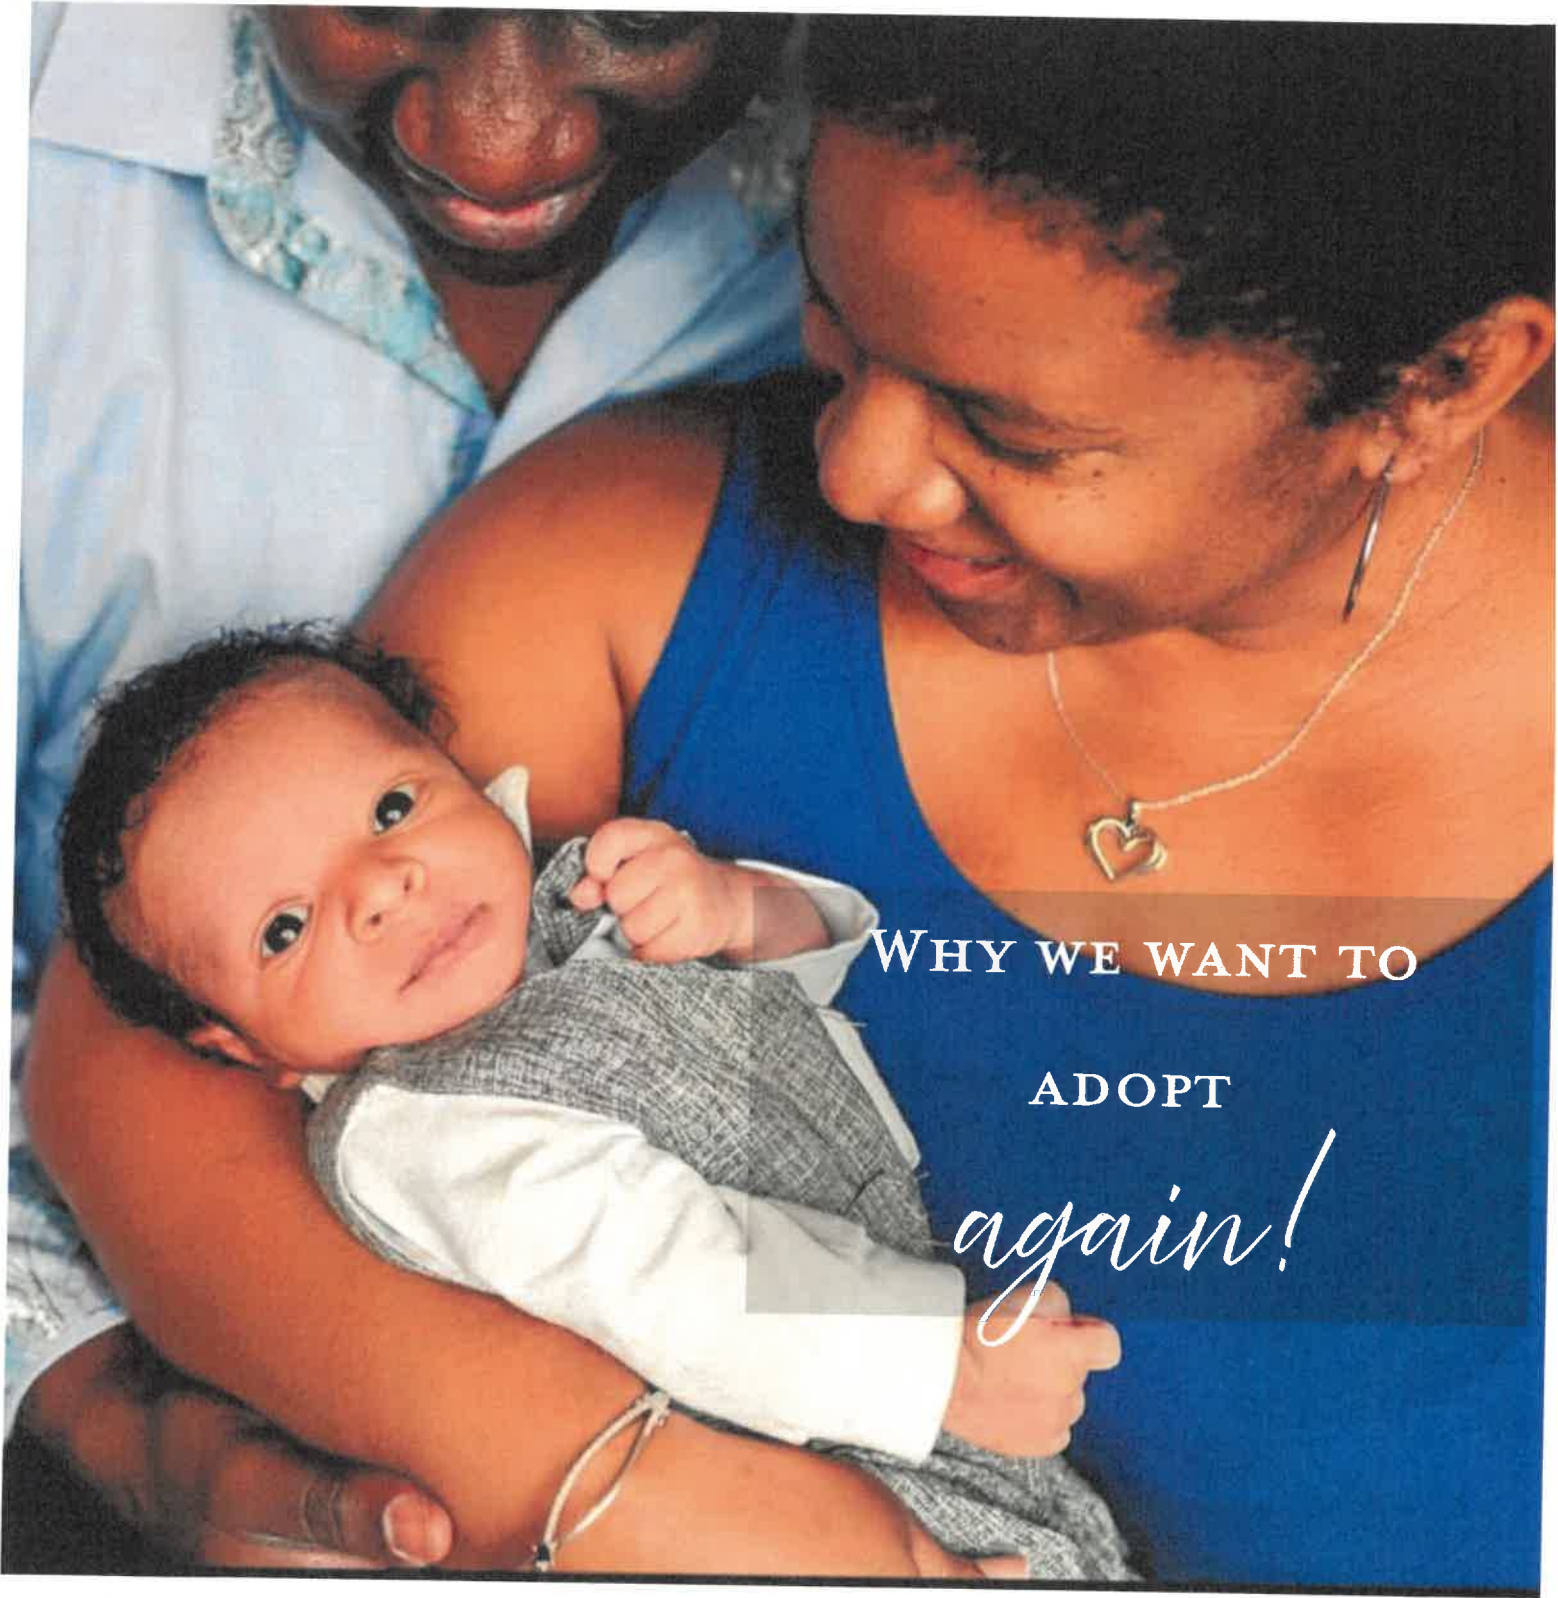

WE HAVE BEEN
Blessed BY
ADOPTION.

We adopted our son Isaiah at birth in 2023 and love everything about him.

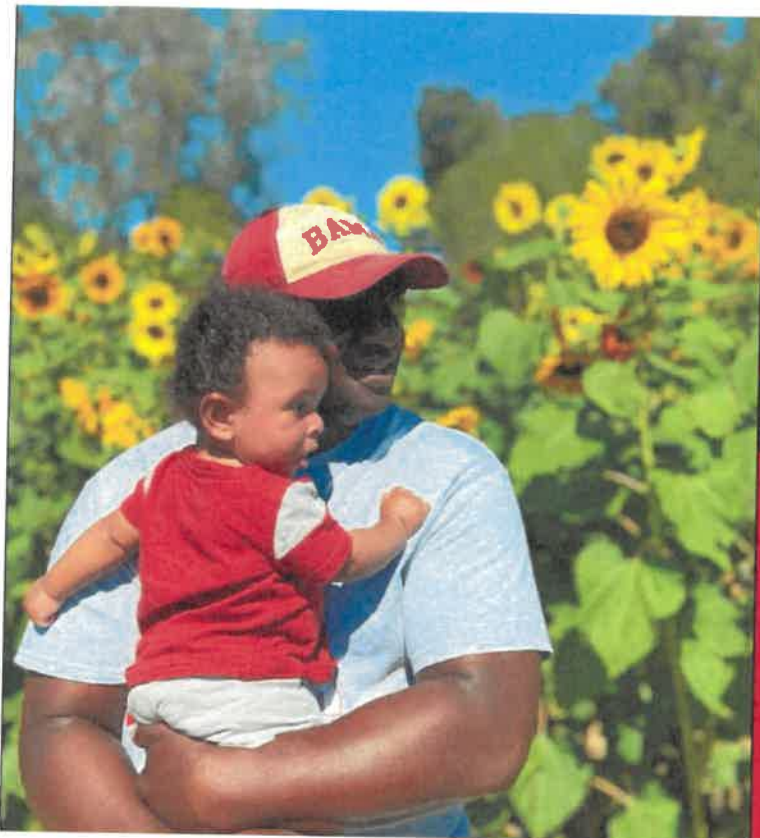

He is a very happy baby who loves to laugh and explore his world. He enjoys taking pictures, going on walks, giving hugs & kisses, playing peekaboo and being in swimming pools.

WHY WE WANT TO

ADOPT

again!

I always knew I wanted to be a mom. I wanted a big family and I wanted to be a stay at home mom. The same is true for laasac. He has always wanted to be a father, husband and provider.

Now that we have Isaiah, we absolutely know that adoption is the path that God lead us to for a reason.

We have so much love to give and want to share everything we have with another child.

THIS IS *Home*

WE LIVE IN A VERY SAFE AND FAMILY FRIENDLY COMMUNITY IN SOUTHERN MARYLAND. WE ARE SURROUNDED BY DIVERSITY AND ARE IN A GOOD SCHOOL DISTRICT, WHICH IS VERY IMPORTANT TO US.

The idea of adding another baby to our family is so special to us.

Parenting means we get to love, guide, and share experiences with someone who needs us. We get to provide opportunities and experiences to help our children pursue their dreams and become happy, healthy, kind adults that make a difference in their community.

We have a great relationship with Isaiah's first mommy.

We are so happy to have her as a part of our extended family. We want to promise you that we will always respect your wishes and boundaries. Your child will always know who you are, their adoption story and how much you love them.

LOVE

SUPPORT

Family

We have a big, loving, and supportive family.

Our family and friends have supported us, covered us in prayer, and loved us throughout this entire journey to parenthood.

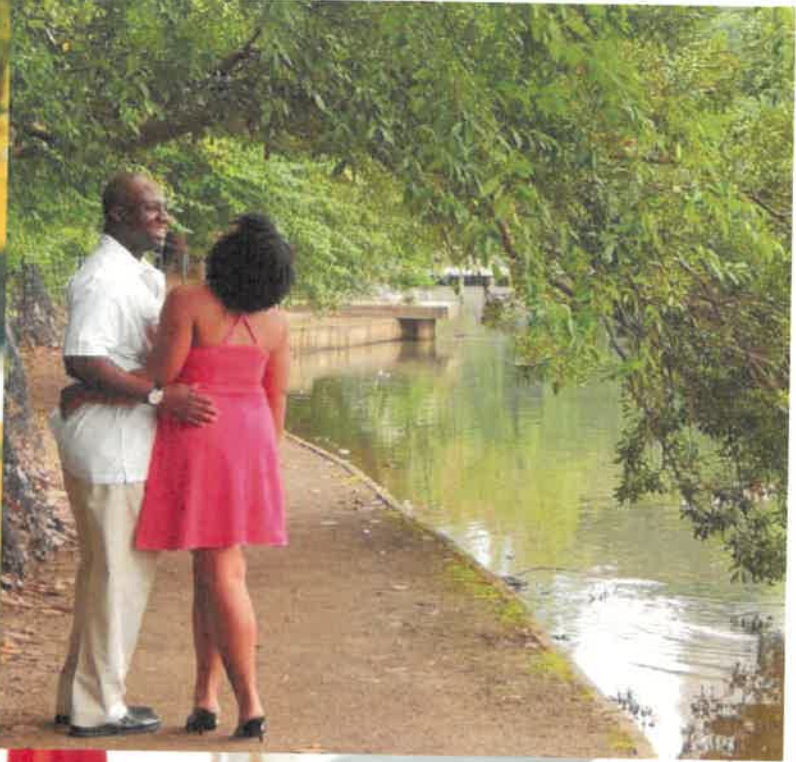

They were so happy when Isaiah joined our family. Everyone loves and spoils him!

We love holidays, birthdays and just any reason to celebrate each other!
